

## Copyright Ownership & Crediting

Liz Degen Photography remains the copyright owner of the photos/content delivered to you and shall be permitted to use any and all approved photos/content for our social media, website, and other marketing purposes. You are granted an irrevocable license to use the photos/content under the following terms:

- Website and print credit goes to Liz Degen Photography.
- For posting on Facebook, you must tag Liz Degen Photography (<https://www.facebook.com/LizDegenPhoto>) in the caption.
- For posting on Instagram, you must tag @lizdegenphoto or @lizdegen in the caption.
- You may not alter the images in any way including adding filters, re-editing, noticeable or extreme cropping, or adding a watermark.

## Print Release & Permitted Uses

You are granted permission to print unlimited photographs from the session for personal use only.

Liz Degen Photography is not liable for any discoloration, cropping, distortion, or any other quality issues that might occur from printing. These images can not be used for advertising or commercial use including but not limited to: advertising, influencer/brand collaborations, stock photography, print sale profits, or resale of any nature. Personal use includes, but is not limited to, use within the following contexts:

- In photos on your personal social media pages or profiles.
- In personal creations, such as a scrapbook or personal gift.
- In personal communications, such as a family newsletter or email, holiday card, or engagement/wedding announcement.
